- (h) The Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution or ordinary resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of Securityholders in respect whereof minutes have been made and signed or passed otherwise in accordance with Schedule 3 or any direction or request of Securityholders even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting (including, but without limitation, the exercise by the Trustee of any of its rights under paragraphs 2, 4, 10, 14, 17, 18, and 23 of Schedule 3 of this Deed) or the passing of the resolution or (in the case of an Extraordinary Resolution in writing or an ordinary resolution in writing or a direction or a request) it was not signed by the requisite number of Securityholders or that for any reason the resolution, direction or request was not valid or binding upon such Securityholders and the relative Couponholders.
- (i) The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Security or Coupon purporting to be such and subsequently found to be forged or not authentic.
- (j) Any consent or approval given by the Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit and notwithstanding anything to the contrary in these presents may be given retrospectively. Without prejudice to any provisions of these presents to the contrary, the Trustee may give any consent or approval, exercise any power, authority or discretion or take any similar action (whether or not such consent, approval, power, authority, discretion or action is specifically referred to in these presents) if it is satisfied that the interests of the Securityholders will not be

- (m) The Trustee as between itself and the Securityholders and Couponholders may determine all questions and doubts arising in relation to any of the provisions of these presents. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Securityholders and Couponholders.
- (n) In connection with the exercise by it of any of its trusts, powers, authorities and discretions under these presents (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Securityholders as a class and shall not have regard to any interests arising from circumstances particular to individual Securityholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Securityholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Securityholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Securityholders or Couponholders except to the extent already provided for in Condition 8 (*Taxation*) and/or any undertaking given in addition thereto or in substitution therefor under these presents.
- (o) The Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of these presents or not) all or any of its trusts, powers, authorities and discretions vested in the Trustee by these presents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Trustee may in the interests of the Securityholders think fit and following notification to the Issuer (to the extent such notification is reasonably practicable in the circumstances). If the Trustee has exercised reasonable care in the selection of a delegate or sub-delegate, the Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any Liability incurred by reason of any misconduct, omission or default on the part of any such delegate or sub-delegate. The Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.

- (p) The Trustee may in the conduct of the trusts of these presents instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the receipt and payment of money). If the Trustee has exercised reasonable care in the selection of the agent, the Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct, omission or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (q) The Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted by these presents as the Trustee may determine, including for the purpose of depositing with a custodian these presents or any document relating to the trusts constituted by these presents and if the Trustee has exercised reasonable care in the selection of the custodian or nominee, the Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of such person; the Trustee is not obliged to appoint a custodian if the Trustee invests in securities payable to bearer.
- (r) The Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance by the Issuer, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto.
- (s) The Trustee may call for any certificate or other document to be issued by Euroclear or Clearstream as to the principal amount of Securities represented by a Global Security standing to the account of any person. Any such certificate or other document shall be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream's Creation Online system) in accordance with its usual procedures and in which the holder of a particular principal amount of Securities is clearly identified together with the amount of such holding. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear or Clearstream and subsequently found to be forged or not authentic.
- (t) The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to the Securities or for checking or commenting upon the content of any such legal opinion and shall not be responsible for any Liability incurred thereby.
- (u) Subject to the requirements, if any, of Euronext Dublin, any corporation into which the Trustee shall be merged or with which it shall be consolidated or any company resulting from any such merger or consolidation shall be a party hereto and shall be the Trustee under these presents without executing or filing any paper or document or any further act on the part of the parties thereto. The Trustee shall promptly notify the Issuer of any such merger or consolidation.
- (v) The Trustee shall not be bound to take any action, step or proceeding in connection with these presents or any obligations arising pursuant thereto, including, without prejudice to the generality of the foregoing, forming any opinion or employing any financial adviser, where it is not reasonably satisfied that the Issuer will be able to

indemnify and/or secure and/or prefund it against all Liabilities which may be incurred in connection with such action and may demand prior to taking any such action that there be paid to it in advance such sums as it reasonably considers (without prejudice to any further demand) shall be sufficient so to indemnify and/or secure and/or prefund it and on such demand being made the Issuer shall be obliged to make payment of all such sums in full.

- (w) No provision of these presents shall require the Trustee to do anything which may (i) be illegal or contrary to applicable law or regulation or contrary to internal policies relating to “know your customer” requirements and anti-money laundering; or (ii) cause it to expend or risk its own funds or otherwise incur any Liability in the performance of any of its duties or in the exercise of any of its rights, powers or discretions, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity and/or security and/or prefunding against such risk or Liability is not assured to it.
- (x) Unless notified to the contrary, the Trustee shall be entitled to assume without enquiry (other than requesting a certificate pursuant to subclause 13(p)) that no Securities are held by, for the benefit of, or on behalf of, the Issuer or any Subsidiary.
- (y) The Trustee shall have no responsibility whatsoever to the Issuer, any Securityholder or Couponholder or any other person for the maintenance of or failure to maintain any rating of any of the Securities by any rating agency.
- (z) Any certificate, advice, opinion or report of the Auditors or any other expert or professional adviser called for by or provided to the Trustee (whether or not addressed to the Trustee) in accordance with or for the purposes of these presents may be relied upon by the Trustee as sufficient evidence of the facts stated therein notwithstanding that such certificate, advice, opinion or report and/or any engagement letter or other document entered into by the Trustee or any other person in connection therewith contains a monetary or other limit on the liability of the Auditors or such other expert or professional adviser in respect thereof and notwithstanding that the scope and/or basis of such certificate, advice, opinion or report may be limited by any engagement or similar letter or by the terms of the certificate, advice, opinion or report itself.
- (aa) The Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in these presents, or any other agreement or document relating to the transactions contemplated in these presents or under such other agreement or document.
- (bb) The Trustee shall be entitled to require that any indemnity or security or prefunding given to it by the Securityholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.
- (cc) The Trustee shall be entitled to assume, without further investigation or inquiry, for the purpose of exercising or performing any right, power, trust, authority, duty or discretion under or in relation to these presents or any other Transaction Document (including, without limitation, any consent, approval, modification, waiver, authorisation or determination), that such exercise will not be materially prejudicial to the interest of the Securityholders or Couponholders, if each of the Rating Agencies then rating the outstanding Securities has confirmed in writing (whether or not such confirmation is addressed to, or provides that it may be relied upon by, the Trustee and irrespective of the method by which such confirmation is conveyed)

that the then current rating by it of the outstanding Securities would not be adversely affected or withdrawn in connection therewith.

- (dd) The Trustee shall be entitled to request and rely upon any information or report provided by any Rating Agency whether addressed to the Trustee or any other person.
- (ee) In the event that a Securityholder's Representative is appointed pursuant to Schedule 3 and is an entity other than the Trustee, the Trustee shall have no responsibility for monitoring or supervising such Securityholders' Representative nor shall the Trustee be liable for the acts or omissions (howsoever cause) of such Securityholder's Representative.

16. **TRUSTEE'S LIABILITY**

- 16.1 If the Trustee has failed to show the degree of care and diligence required of it as trustee having regard to the provisions of these presents conferring on it any trusts, powers, authorities or discretions, nothing in these presents shall exempt the Trustee from or indemnify it against any liability that would otherwise attach to it in respect of any negligence, wilful misconduct or fraud of which it may be found guilty.
- 16.2 Notwithstanding any provision of these presents to the contrary, the Trustee shall not in any event be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever or for lost profits, business, goodwill or opportunity, whether or not foreseeable, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

17. **TRUSTEE CONTRACTING WITH THE ISSUER**

Neither the Trustee nor any director or officer or holding company, Subsidiary or associated company of a corporation acting as a trustee under these presents shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or any person or body corporate associated with the Issuer (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans or the provision of financial facilities or financial advice to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with, or acting as paying agent in respect of, the Securities or any other securities, bonds, stocks, shares, debenture stock, debentures or other securities of, the Issuer or any person or body corporate associated as aforesaid); or
- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to the Issuer or any such person or body corporate so associated or any other office of profit under the Issuer or any such person or body corporate so associated,

and shall be entitled to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such contract, transaction or arrangement as is referred to in (a) above or, as the case may be, any such trusteeship or office of profit as is referred to in (b) above without regard to the interests of the Securityholders and notwithstanding that the same may be contrary or prejudicial to the interests of the Securityholders and shall not be responsible for any Liability occasioned to the Securityholders thereby and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith.

Where any holding company, subsidiary or associated company of the Trustee or any director or officer of the Trustee acting other than in his capacity as such a director or officer has any information, the Trustee shall not thereby be deemed also to have knowledge of such information and, unless it shall have actual knowledge of such information, shall not be responsible for any loss suffered by Securityholders resulting from the Trustee's failing to take such information into account in acting or refraining from acting under or in relation to these presents.

18. **WAIVER, AUTHORISATION AND DETERMINATION**

18.1 The Trustee may without the consent or sanction of the Securityholders and without prejudice to its rights in respect of any subsequent breach from time to time and at any time, but only if and in so far as in its opinion the interests of the Securityholders shall not be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Issuer of any of the covenants or provisions contained in these presents **PROVIDED ALWAYS THAT** any duly documented cost and expense properly incurred by the Trustee in relation to any proposed modification should be included in the Trustee's fees and expenses, and the Trustee shall not exercise any powers conferred on it by this clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 10.3 (*Enforcement by the Trustee*) to the Trustee but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Securityholders and the Couponholders and, if, but only if, the Trustee shall so require, shall be notified by the Issuer to the Securityholders in accordance with Condition 12 (*Notices*) as soon as practicable thereafter.

18.2 **Modification**

The Trustee may without the consent or sanction of the Securityholders or Couponholders at any time and from time to time agree to any modification (a) to this Trust Deed or any of the provisions of the Securities or the Agency Agreement, if the Trustee is of the opinion that such modification is not materially prejudicial to the interests of the Securityholders **provided that** such power does not extend to any such modification as is mentioned in the proviso to paragraph 7 of Schedule 3; or (b) to this Trust Deed or any of the provisions of the Securities or the Agency Agreement if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error, **PROVIDED THAT** any duly documented cost and expense properly incurred by the Trustee in relation to any proposed modification should be included in the Trustee's fees and expenses. Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding upon the Securityholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Securityholders in accordance with Condition 12 (*Notices*) as soon as practicable thereafter.

18.3 **Breach**

Any breach of or failure to comply with any such terms and conditions as are referred to in subclauses 18.1 and 18.2 shall constitute a default by the Issuer in the performance or observance of a covenant or provision binding on it under or pursuant to these presents.

19. **HOLDER OF DEFINITIVE SECURITY ASSUMED TO BE COUPONHOLDER**

19.1 Wherever in these presents the Trustee is required or entitled to exercise a power, trust, authority or discretion under these presents, except as ordered by a court of competent jurisdiction or as required by applicable law, the Trustee shall, notwithstanding that it may have notice to the contrary, assume that each Securityholder is the holder of all Coupons appertaining to each Security in definitive form of which he is the holder.

19.2 Notice to Couponholders

Neither the Trustee nor the Issuer shall be required to give any notice to the Couponholders for any purpose under these presents and the Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Securityholders in accordance with Condition 12 (*Notices*).

19.3 Entitlement to Treat Holder as Absolute Owner

The Issuer, the Trustee and the Paying Agents may (to the fullest extent permitted by applicable laws) deem and treat the holder of any Security or of a particular principal amount of the Securities and the holder of any Coupon as the absolute owner of such Security, principal amount or Coupon, as the case may be, for all purposes (whether or not such Security, principal amount or Coupon shall be overdue and notwithstanding any notice of ownership thereof or of trust or other interest with regard thereto, any notice of loss or theft thereof or any writing thereon), and the Issuer, the Trustee and the Paying Agents shall not be affected by any notice to the contrary. All payments made to any such holder shall be valid and, to the extent of the sums so paid, effective to satisfy and discharge the liability for the moneys payable in respect of such Security, principal amount or Coupon, as the case may be.

20. SUBSTITUTION, EXCHANGE AND VARIATION

20.1 Substitution of the Issuer by a successor in business

- (a) The Trustee may without the consent of the Securityholders or Couponholders at any time agree with the Issuer to the substitution in place of the Issuer (or of the previous substitute under this clause) as the principal debtor under these presents and the Securities and Coupons of another company, being any entity that will succeed to, or to which the Issuer (or the previous substitute under this clause) will transfer, all or substantially all of its assets and business by operation of law, contract or otherwise (such substitute company being hereinafter called the “**New Company**”) **provided that** a trust deed is executed or some other form of undertaking is given by the New Company in form and manner satisfactory to the Trustee, agreeing to be bound by the provisions of these presents and the Agency Agreement with any consequential amendments which the Trustee may deem appropriate as fully as if the New Company had been named in these presents as the principal debtor in place of the Issuer (or of the previous substitute under the clause).
- (b) The following further conditions shall apply to (a) above:
 - (i) the Issuer and the New Company shall comply with such other reasonable requirements as the Trustee may direct in the interests of the Securityholders;
 - (ii) the Issuer delivers to the Trustee a Rating Agency Confirmation (as defined in the Conditions) from each Rating Agency which then rates the Securities, confirming that the substitution for the Issuer of a New Company in accordance with this Clause 20 will not result in a downgrade or withdrawal of, or other adverse effect on, the then current rating of the Securities by such Rating Agency;
 - (iii) the Issuer delivers to the Trustee such legal opinions and with such form and content as the Trustee may reasonably require;
 - (iv) the Trustee is satisfied that such substitution does not result in the substituted issuer having an entitlement, as at the date on which such

substitution becomes effective, to redeem the Securities pursuant to Conditions 6.3, 6.4, 6.5 or 6.6; and

- (v) if a duly authorised representative of the New Company (or other officers acceptable to the Trustee) shall certify that the New Company is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Trustee may rely upon absolutely) the Trustee shall not be under any duty to have regard to the financial condition, profits or prospects of the New Company or to compare the same with those of the Issuer or the previous substitute under this Clause as applicable.
- (c) Any such trust deed or undertaking shall, if so expressed, operate to release the Issuer or the previous substitute as aforesaid from all of its obligations as principal debtor under these presents not accrued at the date of such trust deed or undertaking. Not later than 5 days after the execution of such documents and compliance with such requirements, the New Company shall give notice thereof in a form previously approved by the Trustee to the Securityholders in the manner provided in Condition 12 (*Notices*). Upon the execution of such documents and compliance with such requirements, the New Company shall be deemed to be named in these presents as the principal debtor in place of the Issuer (or in place of the previous substitute under this clause) and these presents shall be deemed to be modified in such manner as shall be necessary to give effect to the above provisions and, without limitation, references in these presents to the Issuer shall, unless the context otherwise requires, be deemed to be or include references to the New Company.

20.2 **Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation**

20.2.1 If the Issuer determines that a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or an Accounting Event has occurred and has provided the Trustee with the relevant certificate and opinion or, in the case of Condition 6.5 only, the Rating Agency Confirmation pursuant to Conditions 6.3, 6.4, 6.5 or 6.6 (as applicable), then the Issuer may, subject to Clause 20.2.2 below (without any requirement for the consent or approval of the Securityholders or Couponholders), subject to its having satisfied the Trustee immediately prior to the giving of any notice referred to herein that the provisions of Condition 7 (*Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation*) have been complied with, having given not less than 10 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 12 (*Notices*), to the Securityholders (which notice shall be irrevocable), as an alternative to an early redemption of the Securities at any time:

- (i) exchange the Securities (the "**Exchanged Securities**"), or
- (ii) vary the terms of the Securities (the "**Varied Securities**"),

each on the terms set out in, and subject to, Condition 7 (*Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation*).

20.2.2 The following further conditions shall apply to Clause 20.2.1 above:

- (i) each of the Conditions set out in Condition 7.2 is satisfied;

- (ii) a trust deed and an agency agreement shall be executed in respect of the Exchanged Securities or Varied Securities in substantially the same form as this Trust Deed and the Agency Agreement and in a form and substance satisfactory to the Trustee;
- (iii) legal opinions addressed to the Trustee and in a form and substance satisfactory to the Trustee (copies of which shall be made available to the Securityholders at the specified offices of the Trustee during usual office hours) shall be issued from one or more international law firms of good reputation selected by the Issuer and confirming (x) that the Issuer has capacity to assume all rights, duties and obligations under the Exchanged Securities or Varied Securities (as the case may be) and has obtained all necessary corporate or governmental authorisation to assume all such rights and obligations and (y) the legality, validity and enforceability of the Exchanged Securities or Varied Securities; and
- (iv) the Issuer shall comply with such other reasonable requirements as the Trustee may direct in the interests of the Securityholders.

Not later than 5 days after the execution of such documents and compliance with such requirements, the Issuer shall give notice thereof in a form previously approved by the Trustee to the Securityholders in the manner provided in Condition 12 (*Notices*).

The Trustee may rely absolutely upon and shall be entitled to accept any certificates and any opinions delivered pursuant to Condition 7 or to this Clause 20 without any liability to any person for so doing and without any further inquiry as sufficient evidence of the satisfaction of the criteria set out herein or therein, in which event it shall be conclusive and binding on the Securityholders and the Couponholders.

21. CURRENCY INDEMNITY

The Issuer shall indemnify the Trustee, every Appointee, the Securityholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non-payment by the Issuer of any amount due to the Trustee or the Securityholders or Couponholders under these presents by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due under these presents (other than this clause) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnity shall constitute an obligation of the Issuer separate and independent from its obligations under the other provisions of these presents and shall apply irrespective of any indulgence granted by the Trustee or the Securityholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer for a liquidated sum or sums in respect of amounts due under these presents (other than this clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by

the Securityholders and Couponholders and no proof or evidence of any actual loss shall be required by the Issuer or its liquidator or liquidators.

22. **NEW TRUSTEE**

22.1 The power to appoint a new trustee of these presents shall, subject as hereinafter provided, be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by these presents **provided that** a Trust Corporation shall be included in such majority. Any appointment of a new trustee of these presents shall as soon as practicable thereafter be notified by the Issuer to the Principal Paying Agent and the Securityholders.

22.2 **Separate and Co-Trustees**

Notwithstanding the provisions of subclause 22.1 above, the Trustee may, upon giving prior notice to the Issuer (but without the consent of the Issuer, the Securityholders or the Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:

- (a) if the Trustee considers such appointment to be in the interests of the Securityholders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents against the Issuer.

The Issuer irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by these presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as Liabilities incurred by the Trustee.

23. **TRUSTEE'S RETIREMENT AND REMOVAL**

A trustee of these presents may retire at any time on giving not less than three months' prior written notice to the Issuer without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Securityholders may by Extraordinary Resolution remove any trustee or trustees for the time being of these presents. The Issuer undertakes that in the event of the only trustee of these presents which is a Trust Corporation (for the avoidance of doubt, disregarding for this purpose any separate or co-trustee appointed under subclause 22.2) giving notice under this clause or being removed by Extraordinary Resolution it will use all reasonable endeavours to procure that a new trustee of these presents being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed. If, in such circumstances, no appointment of such a new trustee has become effective within three months of the date of such notice or Extraordinary Resolution, the Trustee shall be entitled

to appoint a Trust Corporation as trustee of these presents, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution.

24. **TRUSTEE'S POWERS TO BE ADDITIONAL**

The powers conferred upon the Trustee by these presents shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as a holder of any of the Securities or Coupons.

25. **NOTICES**

- 25.1 Any notice or demand to the Issuer or the Trustee to be given, made or served for any purposes under these presents shall be given, made or served by sending the same by electronic mail, by pre-paid post (first class if inland, first class airmail if overseas) or facsimile transmission or by delivering it by hand as follows:

26. **SANCTIONS**

- 26.1 The Issuer represents and warrants that none of the Issuer, nor any of its subsidiaries, directors or officers acting in their capacity as directors or officers nor, to the best of the knowledge of the Issuer, employees acting in their capacity as employees, affiliate or other person acting on behalf of the Issuer, in each case acting in connection with this Agreement and/or the issuance of the Securities, is currently the subject or target of any economic sanctions administered or enforced by the U.S. Government (the Office of Foreign Assets Control of the U.S. Department of the Treasury (“**OFAC**”) or the U.S. Department of State

and including, without limitation, the designation as a “**pecially designated national**” or “**blocked person**”), the United Nations Security Council (“**UNSC**”), the European Union or His Majesty's Treasury of the United Kingdom (“**Sanctions**”), and neither the Issuer nor any of its subsidiaries is located, organised or resident in a country, region or territory, that is the subject or the target of Sanctions that broadly prohibit or restrict dealings with such country, region or territory being as of the date hereof Cuba, Iran, North Korea, Syria, the Crimea Region of Ukraine, the so-called Donetsk People's Republic and the so-called Luhansk People's Republic (each, a “**Sanctioned Country**”); that the Issuer will not directly or knowingly indirectly use the proceeds from any offering of Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, (i) for the purpose of funding or knowingly facilitating the activities of any person or entity that, at the time of such funding or facilitation, is the subject or the target of any Sanctions, when such funding or facilitating will result in the violation of Sanctions (ii) to fund or knowingly facilitate any activities of or business in any country that, at the time of such funding or facilitation, is a Sanctioned Country or (iii) to knowingly act in any other manner that, at the time of such action, will result in a violation of the Sanctions; and that the Group has instituted and maintain policies aimed at verifying the presence of counterparties which are subject to, inter alia, Sanctions;

- 26.2 Clause 26.1 will not apply if and to the extent that it is or would be unenforceable by reason of a violation or breach of (i) any provision of Council Regulation (EC) No 2271/96 of 22 November 1996 (or any law or regulation implementing such Regulation in any member state of the EU or the United Kingdom and/or any associated and applicable national law, instrument or regulation related thereto) or (ii) any similar blocking or anti-boycott law.

27. **COMMUNICATIONS**

- 27.1 The parties hereto accept that some permitted methods of communication are not secure, such as, but without limitation, by facsimile or email or communications delivered through BNY Mellon Connect, CIDD, Nexen or any alternative electronic platform used to submit instructions or other communications and the Trustee or any other entity of The Bank of New York Mellon Group shall incur no liability for receiving Instructions or other communications believed by it to have been sent or given by an Authorised Person or an appropriate party to the transaction (or authorised representative thereof) or for transmitting data to the Issuer via any such non-secure method. The Issuer or authorised officer of the Issuer shall use all reasonable endeavours to ensure that Instructions transmitted to the Trustee or any other entity of The Bank of New York Mellon Group pursuant to this Deed are complete and correct. Any Instructions shall be conclusively deemed to be valid Instructions from the Issuer or authorised officer of the Issuer to the Trustee or any other entity of The Bank of New York Mellon Group for the purposes of this Deed.

- 27.2 In no event shall the Trustee be liable for any losses arising from the Trustee receiving any data from or transmitting any data to the Issuer (or any Authorised Person) or acting upon any notice, instruction or other communications via any Electronic Means. The Trustee has no duty or obligation to verify or confirm that the person who sent such instructions or directions is, in fact, a person authorised to give instructions or directions on behalf of the Issuer (or any Authorised Person).

Any such notice shall be deemed to have been given to the Securityholders on the day on which such notice is delivered to Euroclear and/or Clearstream (as the case may be) as aforesaid.

Whilst any Securities held by a Securityholder are represented by a Global Security, notices to be given by such Securityholder may be given by such Securityholder to the Principal Paying Agent through Euroclear and/or Clearstream, as the case may be, in such a manner as the Principal Paying Agent and Euroclear and/or Clearstream, as the case may be, may approve for this purpose.

PERMANENT GLOBAL SECURITY

representing up to

€900,000,000 Perpetual 5.25 Year Non-Call Capital Securities

(ISIN: XS2770512064)

This Security is a permanent Global Security without interest coupons in respect of a duly authorised issue of Securities of ENEL – Società per Azioni (the “**Issuer**”), designated as specified in the title hereof (the “**Securities**”), limited to the aggregate principal amount of up to 900,000,000 euros (€900,000,000) and constituted by a Trust Deed dated 27 February 2024 (the “**Trust Deed**”) between the Issuer and BNY Mellon Corporate Trustee Services Limited as trustee (the trustee for the time being thereof being herein called the “**Trustee**”). 1. Promise to pay

Subject as provided in this permanent Global Security the Issuer promises to pay to the bearer the principal amount of this permanent Global Security on the date fixed for redemption of the Securities provided for in the Conditions (or on such earlier date as the said principal amount may become repayable in accordance with the Conditions or the Trust Deed) and to pay interest annually in arrear on each Interest Payment Date on the principal amount from time to time of this permanent Global Security at rates determined in accordance with the Conditions together with such premium and other amounts (if any) as may be payable, all subject to and in accordance with the Conditions and the provisions of the Trust Deed.

Any such notice shall be deemed to have been given to the Securityholders on the day on which such notice is delivered to Euroclear and/or Clearstream (as the case may be) as aforesaid.

The day-count fraction will be calculated on the following basis:

- (a) if the Accrual Period is equal to or shorter than the Determination Period during which it falls, the day-count fraction will be the number of days in the Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
- (b) if the Accrual Period is longer than one Determination Period, the day-count fraction will be the sum of:
 - (i) the number of days in such Accrual Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (ii) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year

If the Issuer makes such an election, the Issuer shall have no obligation to make such payment and any such non-payment of interest shall not constitute a default of the Issuer or any other breach of obligations under the Securities or for any other purpose.

Any Deferred Interest Payment will be deferred and shall constitute “**Arrears of Interest**”. Any Arrears of Interest will remain outstanding until paid in full by the Issuer, but Arrears of Interest shall not itself bear interest.

(b) Optional Settlement of Arrears of Interest

The Issuer may pay any outstanding Arrears of Interest (in whole but not in part) at any time upon giving not less than 10 and not more than 15 Business Days’ notice to the Securityholders in accordance with Condition 12 (which notice shall be irrevocable and will oblige the Issuer to pay the relevant Arrears of Interest on the payment date specified in such notice) and to the Trustee and the Principal Paying Agent at least five, but not more than 30, Business Days prior to the relevant due date for payment.

(c) Mandatory Settlement of Arrears of Interest

4.3 Accrual of Interest

The Securities will cease to bear interest from (and including) the calendar day on which they are due for redemption. If the Issuer fails to redeem the Securities upon due presentation and surrender thereof when due, interest will continue to accrue as provided in the Trust Deed.

4.4 Benchmark discontinuation

(a) Independent Adviser

If a Benchmark Event occurs in relation to the EUR 5 year Swap Rate on any Reset Interest Determination Date, then the Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, to

determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.4(b)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4.4(d)) by no later than five business days prior to the Determination Date relating to the next Determination Period for which the Reset Interest (or any component part thereof) is to be determined by reference to the EUR 5 year Swap Rate.

An Independent Adviser appointed pursuant to this Condition 4.4 shall act in good faith and in a commercially reasonable manner as an expert and in consultation with the Issuer. In the absence of fraud and gross negligence, the Independent Adviser shall have no liability whatsoever to the Issuer, the Paying Agents or the Securityholders for any determination made by it pursuant to this Condition 4.4.

If: (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4.4(a) prior to the relevant Reset Interest Determination Date, the EUR 5 year Swap Rate applicable to the next succeeding Reset Period shall be the last available EUR 5 year mid swap rate for euro swap transactions, expressed as an annual rate, on the EUR Reset Screen Page. For the avoidance of doubt, this Condition 4.4(a) shall apply to the relevant next succeeding Reset Period only and any subsequent Reset Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.4(a).

(b) Successor Rate or Alternative Rate

If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the EUR 5 year Swap Rate to determine the Prevailing Interest Rate (or the relevant component part thereof) for all future payments of interest on the Securities (subject to the operation of this Condition 4.4); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the EUR 5 year Swap Rate to determine the Prevailing Interest Rate (or the relevant component part thereof) for all future payments of interest on the Securities (subject to the operation of this Condition 4.4).

(c) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser (if required to determine a Successor Rate, failing which an Alternative Rate and, in either case, an Adjustment Spread, according to Condition 4.4(a)) is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread.

(d) Benchmark Amendments

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4.4 and the Independent Adviser determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and, in either case, the applicable

Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.4(e), without any requirement for the consent or approval of Securityholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 4.4(d), the Issuer shall comply with the rules of any stock exchange on which the Securities are for the time being listed or admitted to trading.

Benchmark Amendments may comprise, by way of example, the following amendments: (A) amendments to the definition of “EUR 5 year Swap Rate”; (B) amendments to the day-count fraction and the definitions of “business day”, “Interest Payment Date”, “Rate of Interest”, and/or “Interest Period” (including the determination of whether the Alternative Rate will be determined in advance of or prior to the relevant Interest Period or in arrear on or prior to the end of the relevant Interest Period); and/or (C) any change to the business day convention.

Notwithstanding any other provision of this Condition 4.4, no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to cause a reduction in or loss of equity credit to occur.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two duly authorised representatives of the Issuer pursuant to Condition 4.4(e), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Securityholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged to agree to any Benchmark Amendments which, in the sole opinion of the Trustee, would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (ii) increasing the obligations, responsibilities or duties, or decreasing the protections, of the Trustee under the Trust Deed and/or the Conditions in any way.

(e) Notices etc

Any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.4 will be notified promptly by the Issuer to the Trustee, the Principal Paying Agent and the Agent Bank and, in accordance with Condition 12 (*Notices*), the Securityholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two duly authorised representatives of the Issuer:

- (a) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4.4; and

- (b) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's, the Agent Bank's or the Principal Paying Agent's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Securityholders.

(f) Survival of EUR 5 year Swap Rate

Without prejudice to the obligations of the Issuer under Condition 4.4(a), (b), (c) and (d), the EUR 5 year Swap Rate and the fallback provisions provided for in Condition 4.1(b) will continue to apply unless and until a Benchmark Event has occurred.

 - (i) a certificate signed by two duly authorised representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem the Securities in accordance with this Condition 6.3 have been satisfied; and
 - (ii) an opinion of independent legal or tax advisers, appointed by the Issuer at its own expense, of recognised standing in the jurisdiction of incorporation of the Issuer to the effect that the Issuer has or will become obliged to pay Additional Amounts as a result of (in the case of paragraph (A) of the definition of Withholding Tax Event) a Tax Law Change or (in the case of paragraph (B) of the definition of Withholding Tax Event) the relevant merger, conveyance, transfer or lease,

and the Trustee shall be entitled to accept and rely on the above certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out above and the facts set out therein in which event the same shall be conclusive and binding on the Securityholders and the Couponholders.

credit” (or such similar nomenclature used by S&P from time to time) at the time of the issuance of the Securities does not exceed such part of the net proceeds received by the Issuer or any Subsidiary of the Issuer prior to the date of such redemption or repurchase from the sale or issuance of securities by the Issuer or such Subsidiary to third party purchasers (other than group entities of the Issuer) which is assigned by S&P “equity credit” (or such similar nomenclature used by S&P from time to time) at the time of sale or issuance of such securities (but taking into account any changes in hybrid capital methodology or another relevant methodology or the interpretation thereof since the issuance of the Securities), unless:

- (i) the rating (or such similar nomenclature then used by S&P) assigned by S&P to the Issuer is at least equal to the rating assigned to the Issuer on the date of the most recent hybrid security issuance (excluding any refinancing) which was assigned by S&P a “equity credit” similar to the Securities and the Issuer is of the view that such rating would not fall below this level as a result of such redemption or repurchase, or*
- (ii) in the case of a repurchase or redemption, taken together with relevant repurchases or redemptions of hybrid securities of the Issuer, such repurchase or redemption is less than 10 per cent. of the aggregate principal amount of the Issuer’s hybrid securities in any period of 12 consecutive months and, in any case, less than 25 per cent. of the aggregate principal amount of the Issuer’s hybrid securities in any period of 10 consecutive years; or*
- (iii) the Securities are redeemed pursuant to a Tax Deductibility Event or a Withholding Tax Event, or an Accounting Event or a Substantial Repurchase Event or a Rating Methodology Event which results from an amendment, clarification or change in the “equity credit” criteria by the Rating Agencies; or*
- (iv) the Securities are not assigned an “equity credit” by S&P (or such similar nomenclature then used by S&P) at the time of such redemption or repurchase, or*
- (v) in the case of a repurchase, such repurchase relates to an aggregate principal amount of Securities which is less than or equal to the excess (if any) above the maximum aggregate principal amount of the Issuer’s hybrid capital to which S&P then assigns equity content under its prevailing methodology; or*
- (vi) such redemption or repurchase occurs on or after the Reset Date falling on 27 May 2049.*

7 Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation

7.1 If the Issuer determines that a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or an Accounting Event has occurred and is continuing, and has provided the Trustee with the relevant certificate and opinion, or in the case of Condition 6.5 only, the Rating Agency Confirmation, pursuant to Condition 6.3, 6.4, 6.5 or 6.6 (as applicable), then the Issuer may, subject to Condition 7.2 below (without any requirement for the consent or approval of the Securityholders or Couponholders), subject to its having satisfied the Trustee immediately prior to the giving of any notice referred to herein that the provisions of this Condition 7 have been complied with and having given not less

than 10 nor more than 60 Business Days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 12 (Notices), to the Securityholders (which notice shall be irrevocable), as an alternative to an early redemption of the Securities at any time:

- (i) exchange the Securities (the "**Exchanged Securities**"), or
- (ii) vary the terms of the Securities (the "**Varied Securities**"),

so that:

- (A) in the case of a Tax Deductibility Event, the Issuer is entitled to claim a deduction or a higher deduction (as the case may be) in respect of interest paid when computing its tax liabilities for Italian corporation income tax purposes as compared with the entitlement (in the case of the Issuer) after the occurrence of the relevant Tax Deductibility Event,
- (B) in the case of a Withholding Tax Event, in making any payments in respect of the Exchanged Securities or Varied Securities the Issuer is only required to pay lesser or no Additional Amounts in respect of the Exchanged Securities or Varied Securities,
- (C) in the case of an Accounting Event, immediately following such exchange or variation, no Accounting Event apply in respect of the Exchanged Securities or Varied Securities, as the case may be, or
- (D) in the case of a Rating Methodology Event, immediately following such exchange or variation, no Rating Methodology Event apply in respect of the Exchanged Securities or Varied Securities, as the case may be,

and the Trustee shall, subject to the following provisions of this Condition 7, and subject to the receipt by it of the certificate by two duly authorised representatives of the Issuer referred to in Condition 7.2 below, agree to such exchange or variation.

Upon expiry of such notice, the Issuer shall either vary the terms of or, as the case may be, exchange the Securities in accordance with this Condition 7 and cancel such Exchanged Securities.

The Trustee shall (at the expense of the Issuer) enter into a supplemental trust deed and/or supplemental agency agreement with the Issuer (including indemnities satisfactory to the Trustee) solely in order to effect the exchange of the Securities, or the variation of the terms of the Securities, provided that the Trustee shall not be obliged to enter into such supplemental trust deed and/or supplemental agency agreement if the terms of the Exchanged Securities or the Varied Securities would impose, in the Trustee's opinion, more onerous obligations upon it or expose it to liabilities or reduce its protections. If the Trustee does not enter into such supplemental trust deed and/or supplemental agency agreement (and the Trustee shall have no liability or responsibility to any person if it does not do so), the Issuer may redeem the Securities as provided in Condition 6 (Redemption and Purchase).

7.2 Any such exchange or variation shall be subject to the following conditions:

- (i) for as long as the Securities are listed on any stock exchange, the Issuer complying with the rules of the relevant stock exchange (or any other relevant authority) on which the Securities are for the time being admitted to trading, and (for so long as the rules of such exchange require) the publication of any appropriate supplement, listing particulars or offering circular in connection

therewith, and the Exchanged Securities or Varied Securities continue to be admitted to trading on the same stock exchange as the Securities were admitted to trading immediately prior to the relevant exchange or variation;

- (ii) the Issuer paying any outstanding Arrears of Interest in full prior to such exchange or variation or providing for the accrual of an amount equal to the Arrears of Interest under the terms of the Exchanged Securities or the Varied Securities (as applicable);
- (iii) the Exchanged Securities or Varied Securities shall: (A) rank at least *pari passu* with the ranking of the Securities prior to the exchange or variation, and (B) benefit from the same interest rates and the same Interest Payment Dates, the same First Reset Date and early redemption rights (provided that the relevant exchange or variation may not itself trigger any early redemption right), a maturity date which shall not be longer than the maturity date of the Issuer as provided from time to time under the relevant by-laws, the same rights to accrued interest or Arrears of Interest and any other amounts payable under the Securities which, in each case, has accrued to the Securityholders and has not been paid, the same rights to principal and interest, and, if publicly rated by a Rating Agency which has provided a solicited rating at the invitation or with the consent of the Issuer, immediately prior to such exchange or variation, at least the same credit rating immediately after such exchange or variation by each such Rating Agency, as compared with the relevant solicited rating(s) immediately prior to such exchange or variation (as determined by the Issuer using reasonable measures available to it including discussions with the Rating Agencies to the extent practicable) (C) not contain terms providing for the mandatory deferral or cancellation of interest and (D) not contain terms providing for loss absorption through principal write-down or conversion to shares;
- (iv) the terms of the exchange or variation, in the sole opinion of the Issuer (acting reasonably) not being prejudicial to the interests of the Securityholders, including compliance with (iii) above, as certified to the Trustee by two duly authorised representatives of the Issuer, having consulted in good faith with an independent financial institution of international repute or an independent financial adviser experienced in the international capital markets, and any such certificate shall be final and binding on all parties;
- (v) the preconditions to exchange or variation set out in the Trust Deed having been satisfied, including the issue of legal opinions addressed to the Trustee (in form and substance satisfactory to the Trustee) (copies of which shall be made available to the Securityholders by appointment at the specified offices of the Trustee during usual office hours or at the Trustee's option may be provided by email to such holder requesting copies of such documents, subject to the Trustee (as applicable) being supplied by the Issuer with copies of such documents) from one or more international law firms of good reputation selected by the Issuer and confirming (x) that the Issuer has capacity to assume all rights, duties and obligations under the Exchanged Securities or Varied Securities (as the case may be) and has obtained all necessary corporate or governmental authorisation to assume all such rights and obligations and (y)

the legality, validity and enforceability of the Exchanged Securities or Varied Securities;

- (vi) the delivery to the Trustee of a certificate signed by two duly authorised representatives of the Issuer certifying each of the points set out in paragraphs (i) to (v) above.

The Trustee may rely absolutely upon and shall be entitled to accept such certificates and any such opinions, as are referred to in this Condition 7, without any liability to any person for so doing and without any further inquiry as sufficient evidence of the satisfaction of the criteria set out in such paragraphs, in which event it shall be conclusive and binding on the Securityholders and the Couponholders.

8 Taxation

8.1 Payment without Withholding

All payments of principal, premium and interest in respect of the Securities and Coupons by the Issuer will be made without withholding or deduction for or on account of any Taxes imposed or levied by or on behalf of any Tax Jurisdiction, unless such withholding or deduction of the Taxes is required by law. In such event, the Issuer will pay such additional amounts (the “**Additional Amounts**”) as may be necessary in order that the net amounts received by the Securityholders and Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Securities or, as the case may be, Coupons in the absence of such withholding or deduction; except that no Additional Amounts shall be payable:

- (a) in respect of any Security or Coupon presented for payment
 - (i) in any Tax Jurisdiction; or
 - (ii) by or on behalf of a holder who is liable for such Taxes in respect of such Security or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Security or Coupon; or
 - (iii) by or on behalf of a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement including, but not limited to, a declaration of residence or non-residence, but fails to do so; or
 - (iv) more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to an Additional Amount on presenting the same for payment on such thirtieth day assuming that day to have been a Presentation Date (as defined in Condition 5); or
- (b) in relation to any payment or deduction on account of *imposta sostitutiva* pursuant to Decree No. 239 as amended and/or supplemented or, for the avoidance of doubt, Italian Legislative Decree No. 461 of 21 November 1997 as amended and supplemented and in all circumstances in which the procedures set forth in Decree No. 239 in order to benefit from a tax exemption have not been met or complied with; or
- (c) in the event of payment by the Issuer to a non-Italian resident holder, to the extent that the holder is resident in a country which does not allow for a satisfactory exchange of information with the Italian authorities.

Notwithstanding anything to the contrary contained herein, the Issuer (and any other person making payments on behalf of the Issuer) shall be entitled to withhold and deduct any amounts required to be deducted or withheld pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), or otherwise imposed pursuant to (i) Sections 1471 through 1474 of the Code, or (ii) any regulations thereunder or official interpretations thereof, or (iii) an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof, or (iv) any law implementing such an intergovernmental agreement (any such withholding or deduction, a “**FATCA Withholding**”), and no person shall be required to pay any additional amounts in respect of FATCA Withholding.

8.2 Additional Amounts

Any reference in these Conditions to any amounts in respect of the Securities shall be deemed also to refer to any Additional Amounts which may be payable under this Condition or under any undertakings given in addition to, or in substitution for, this Condition pursuant to the Trust Deed.

9 Prescription

The Securities and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within periods of 10 years (in the case of principal) and 5 years (in the case of interest) from the Relevant Date in respect of the Securities or, as the case may be, the Coupons, subject to the provisions of Condition 5. There shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue under this Condition or Condition 5.

10 Enforcement on the Liquidation Event Date and No Events of Default

10.1 No Events of Default

There are no events of default in relation to the Securities.

On the Liquidation Event Date, the Securities will become due and payable at an amount equal to their principal amount, together with any outstanding interest accrued up to (but excluding) the Liquidation Event Date and any outstanding Arrears of Interest.

On or following the Liquidation Event Date, no payments will be made in relation to the Junior Securities of the Issuer before all amounts due, but unpaid, on the Securities have been paid by the Issuer.

10.2 Enforcement on the Liquidation Event Date

On or following the Liquidation Event Date, the Trustee at its sole discretion and subject to Condition 10.3 may (subject to its being indemnified and/or secured and/or prefunded to its satisfaction), institute steps in order to obtain a judgment against the Issuer for any amounts due and payable in respect of the Securities, including the institution of Insolvency Proceedings against the Issuer or the filing of a proof of claim and participation in any Insolvency Proceedings or proceedings for the liquidation, dissolution or winding-up of the Issuer (in which Insolvency Proceedings, liquidation, dissolution or winding-up the Securities shall immediately be due and payable at their principal amount together with any accrued but unpaid interest up to (but excluding) the date on which the Securities become so due and payable and any outstanding Arrears of Interest).

10.3 Enforcement by the Trustee

- (a) Subject to sub-paragraph (b) below, the Trustee may at its discretion and without further notice, take such steps, actions or proceedings against the Issuer as it may think fit to enforce the provisions of the Trust Deed, the Securities and the Coupons, but in no event shall the Issuer, by virtue of the initiation of any such steps, actions or proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.
- (b) The Trustee shall not be bound to take any action referred to in Conditions 10.2 or 10.3(a) above or any other action or steps under or pursuant to the Trust Deed, the Securities or the Coupons unless (a) it has been so directed by an extraordinary resolution of the Securityholders or so requested in writing by the holders of at least one-quarter in principal amount of the Securities then outstanding and (b) it has been indemnified and/or secured and/or prefunded to its satisfaction.

10.4 Enforcement by the Securityholders

No Securityholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute any Insolvency Proceedings against the Issuer or to file a proof of claim and participate in any Insolvency Proceedings or institute proceedings for the liquidation, dissolution or winding-up of the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing, in which case the Securityholder or Couponholder shall have only such rights against the Issuer as those which the Trustee would have been entitled to exercise pursuant to this Condition 10.

10.5 Limitation on remedies

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee, the Securityholders and the Couponholders, whether for the recovery of amounts due in respect of the Securities or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Securities, the Coupons and the Trust Deed.

11 Replacement of Securities and Coupons

Should any Security or Coupon be lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection with the replacement and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Securities or Coupons must be surrendered before replacements will be issued.

12 Notices

All notices regarding the Securities will be deemed to be validly given (a) if published in a leading English language daily newspaper of general circulation in London and Ireland (it is expected that such publication will be made in the *Financial Times* in London and the *Irish Times* in Ireland) and (b) if and for so long as the Securities are admitted to trading on, and listed on the Euronext Dublin, on the Euronext Dublin's website, <https://www.euronext.com/en/markets/dublin>. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange (or any other relevant authority) on which the Securities are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the

date of the first publication. If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve. Couponholders will be deemed for all purposes to have notice of the contents of any notices given to the Securityholders in accordance with this paragraph.

13 Meetings of Securityholders, Modification, Waiver, Authorisation, Determination and Substitution of the Issuer

13.1 Meetings of Securityholders

The Trust Deed contains provisions consistent with the laws, legislation, rules and regulations of the Republic of Italy (including without limitation Legislative Decree No. 58 of 24 February 1998, as amended) for convening meetings of the Securityholders to consider any matter affecting their interests, including any modifications of the Conditions or of any provisions of the Trust Deed.

According to the laws, legislation, rules and regulations of the Republic of Italy, such meetings will be validly held as a single call meeting or, if the Issuer's by-laws provide for multiple calls, as a multiple call meeting, if (i) in the case of a single call meeting, there are one or more persons present, being or representing Securityholders holding at least one-fifth of the aggregate nominal amount of the Securities, for the time being outstanding, or such a higher quorum as may be provided for in the Issuer's by-laws, or (ii) in the case of a multiple call meeting, (a) there are one or more persons present being or representing Securityholders holding not less than one-half of the aggregate nominal amount of the Securities, for the time being outstanding; (b) in case of an adjourned meeting, there are one or more persons present being or representing Securityholders holding more than one-third of the aggregate nominal amount of the Securities for the time being outstanding; and (c) in the case of any further adjourned meeting, there are one or more persons present being or representing Securityholders holding at least one-fifth of the aggregate nominal amount of the Securities for the time being outstanding, provided that the Issuer's by-laws may in each case (to the extent permitted under the applicable laws and regulations of the Republic of Italy) provide for a higher quorum.

The majority to pass a resolution at any meeting (including, where applicable, an adjourned meeting) will be at least two-thirds of the aggregate nominal amount of the outstanding Securities represented at the meeting; provided however that (A) certain proposals, as set out in Article 2415 of the Italian Civil Code (including, for the avoidance of doubt, (a) any modification of the method of calculating the amount payable or modification of the date fixed for redemption or any date for payment of interest or, where applicable, of the method of calculating the date of payment in respect of any principal or interest in respect of the Securities or change of the subordination provisions of the Trust Deed and (b) any alteration of the currency in which payments under the Securities are to be made or the denomination of the Securities) may only be sanctioned by a resolution passed at a meeting of the Securityholders by the higher of (i) one or more persons holding or representing not less than one half of the aggregate nominal amount of the outstanding Securities, and (ii) one or more persons holding or representing not less than two thirds of the Securities represented at the meeting and (B) the Issuer's by-laws may in each case (to the extent permitted under applicable Italian law) provide for higher majorities.

Resolutions passed at any meeting of the Securityholders shall be binding on all Securityholders, whether or not they are present at the meeting, and on all Couponholders. In accordance with the Italian Civil Code, a *rappresentante comune*,

being a joint representative of Securityholders, may be appointed in accordance with Article 2417 of the Italian Civil Code in order to represent the Securityholders' interest hereunder and to give execution to the resolutions of the meeting of the Securityholders.

13.2 Substitution of the Issuer

- (a) The Trustee may, without the consent of the Securityholders or the Couponholders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition 13.2) as the principal debtor under the Securities, Coupons and the Trust Deed of another company, being any entity that will succeed to, or to which the Issuer (or those of any previous substitute under this Condition 13.2) will transfer, all or substantially all of its assets and business (or any previous substitute under this Condition 13.2) by operation of law, contract or otherwise, subject to (i) the Trustee being satisfied that such substitution does not result in the substituted issuer having an entitlement, as at the date on which such substitution becomes effective, to redeem the Securities pursuant to Conditions 6.3, 6.4, 6.5 or 6.6, and (ii) certain other conditions set out in the Trust Deed being satisfied.
- (b) The Issuer has covenanted in the Trust Deed that, for so long as the Securities remain outstanding, it will not consolidate or merge with another company or firm or sell or lease all or substantially all of its assets to another company unless (i) if the Issuer merges out of existence or sells or leases all or substantially all of its assets, the other company assumes all the then-existing obligations of the Issuer (including, without limitation, all obligations under the Securities and the Trust Deed), either by law or contractual arrangements and (ii) certain other conditions set out in the Trust Deed are complied with.
- (c) As long as the Securities are admitted to trading on the regulated market of Euronext Dublin and/or listed on the official list of Euronext Dublin, in the case of such a substitution, the Issuer will give notice of any substitution pursuant to Condition 13.2(a) above to Euronext Dublin and, as soon as reasonably practicable but in any event not later than 30 calendar days after the execution of such documents required by, and the compliance with such other requirements of, the Trust Deed in connection with the substitution, notice of such substitution will be given to the Securityholders by the Issuer in a form previously approved by the Trustee in accordance with Condition 12, in which event the substitution shall be conclusive and binding on the Securityholders and the Couponholders.

13.3 Waiver, authorisation, determination and exercise by the Trustee of discretions etc.

The Trustee (i) may agree, without the consent of the Securityholders or Couponholders, to any modification (except as set out in the Trust Deed) of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Securities or the Trust Deed where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Securityholders or (ii) may agree, without any such consent as aforesaid, to any modification which is, in the opinion of the Trustee, of a formal, minor or technical nature or to correct an error which is manifest. Any such modification, waiver, authorisation or determination shall be binding on the Securityholders and the Couponholders and, unless the Trustee otherwise agrees, any such modification shall be notified to the Securityholders in accordance with Condition 12 as soon as practicable thereafter.

13.4 Trustee to have Regard to Interests of Securityholders as a Class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Securityholders as a class (but shall not have regard to any interests arising from circumstances particular to individual Securityholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Securityholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Trustee shall not be entitled to require, nor shall any Securityholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Securityholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

14 Indemnification of the Trustee and its Contracting with the Issuer

14.1 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction.

14.2 Trustee Contracting with the Issuer

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (a) to enter into business transactions with the Issuer and/or any Subsidiary and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any Subsidiary, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Securityholders or Couponholders, and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

15 Further Issues

The Issuer is at liberty from time to time without the consent of the Securityholders or Couponholders to create and issue further securities or bonds (whether in bearer or registered form) either (a) ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) and so that the same shall be consolidated and form a single series with the outstanding securities or bonds of any series (including the Securities) constituted by the Trust Deed or any supplemental deed or (b) upon such terms as to ranking, interest, conversion, redemption and otherwise as the Issuer may determine at the time of the issue. Any further securities or bonds which are to form a single series with the outstanding securities or bonds of any series (including the Securities) constituted by the Trust Deed or any supplemental deed shall, and any other further securities or bonds may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Securityholders and the holders of securities or bonds of other series in certain circumstances where the Trustee so decides.

16 Governing Law and Submission to Jurisdiction

16.1 Governing Law

The Trust Deed, the Securities and the Coupons and any non-contractual obligations arising out of or in connection with the Trust Deed, the Securities and the Coupons are governed by, and shall be construed in accordance with, English law, except for Conditions 3.1 and 3.2, which shall each be governed by Italian law. Condition 13.1 and the provisions of the Trust Deed concerning the meeting of Securityholders and the appointment of the *rappresentante comune* in respect of the Securities are subject to compliance with Italian law.

16.2 Jurisdiction of English Courts

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Securities or the Coupons (including any disputes relating to any non-contractual obligations which may arise out of or in connection with the Trust Deed, the Securities or the Coupons) and accordingly each of the Issuer, the Trustee, the Securityholders and the Couponholders, in the Trust Deed, has submitted to the exclusive jurisdiction of the English courts and waived any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum.

16.3 Appointment of Process Agent

The Issuer has, in the Trust Deed, irrevocably and unconditionally appointed Law Debenture Corporate Services Limited at its registered office at 8th Floor 100 Bishopsgate, London, EC2N 4AG, United Kingdom as its agent for service of process and undertakes that, in the event of Law Debenture Corporate Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person approved by the Trustee as its agent for service of process in England in respect of any proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

17 Rights of Third Parties

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any of these Conditions or any other term of this Security, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

- (iv) **“Trading Day”** shall mean a day on which the regulated market of the Irish Stock Exchange plc trading as Euronext Dublin, or any other relevant stock exchange on which the Securities are listed, is open for trading.
 - (b) Subject to compliance with the provisions of Italian law (including, without limitation, Legislative Decree No. 58 of 24 February 1998, as subsequently amended) and the Issuer's by-laws in force from time to time, a holder of a Security may obtain a voting certificate in respect of such Security from a Paying Agent or require a Paying Agent to issue a voting instruction in respect of such Security by depositing such Security with such Paying Agent or (to the satisfaction of such Paying Agent) by such Security being held to its order or under its control, in each case not less than 7 Trading days before the time fixed for the relevant meeting and on the terms set out in subparagraph 1(a)(i)(A) or 1(a)(ii)(A) above (as the case may be), and (in the case of a voting instruction) instructing such Paying Agent to the effect set out in subparagraph 1(a)(ii)(B) above. The holder of any voting certificate or the proxies named in any block voting instruction shall, for all purposes in connection with the relevant meeting or adjourned meeting of Securityholders, be deemed to be the holder of the Securities to which such voting certificate or voting instruction.
2. All meetings of holders of Securities will be convened and held in accordance with the provisions of Italian law (including, without limitation, Legislative Decree No. 58 of 24 February 1998, as amended) and the Issuer's by-laws in force from time to time. In accordance with Article 2415 of the Italian Civil Code, the board of directors, the management board of the Issuer or the *“rappresentante comune”* (**“Securityholders' Representative”**), or, subject to any mandatory provisions of Italian law, the Trustee (subject in the case of the Trustee to its being indemnified and/or secured and/or prefunded to its satisfaction) may, at any time, and, upon request by Securityholders holding not less than 5 per cent. in nominal amount of the Securities for the time being outstanding, shall convene a meeting of the Securityholders, and if the Issuer fails for a period of 30 days to convene such a meeting the same may be convened by decision of the President of the competent court upon request by the requisitionists. The resolutions validly adopted in meetings are binding on all Securityholders, whether or not present and on all Couponholders, and shall be registered at the Companies' Registry by the notary public drafting the relevant minutes.
3. At least 30 days' written notice (exclusive of the day on which the notice is given and the day on which the meeting is to be held) or any different term provided for by applicable mandatory Italian laws or the Issuer's by-laws, specifying the place, day and hour of (i) the sole call of the meeting (a **“Single Call Meeting”**); or, depending on the applicable provisions of Italian law and the Issuer's by-laws, (ii) each of the first, second and third call of the meeting (the **“First Call”**, the **“Second Call”** and the **“Third Call”**, respectively and collectively, a **“Multiple Call Meeting”**), and the items included in the agenda shall be given to the Securityholders prior to any meeting of the Securityholders in the manner provided by Condition 12 (*Notices*). Such notice, which shall at a minimum, be in the English language as well as Italian, shall state generally the nature of the business to be transacted at the meeting thereby convened but (except for an Extraordinary Resolution) it shall not be necessary to specify in such notice the terms of any resolution to be proposed. A copy of the notice shall be sent by registered post to the Issuer (unless the meeting is convened by the Issuer) and to the Securityholders' Representative (unless the meeting is convened by the Securityholders' Representative). All notices to Securityholders under this Schedule shall be published in accordance with Condition 12 (*Notices*) and shall also comply with any applicable Italian law requirement and/or provision in the Issuer's By-laws. For the avoidance of doubt, each Meeting will be held as a Single Call Meeting or as a Multiple Call Meeting depending on the applicable provisions of Italian law and the Issuer's by-laws as applicable from time to time.

4. The Chairman (who may but need not be a Securityholder) shall be (i) the Chairman of the Board of Directors of ENEL or such other person as the by-laws of ENEL may specify from time to time or in default (ii) (subject to any mandatory provision of Italian law) a person nominated in writing by the Trustee or in default (iii) a person elected by one or more voters holding or representing more than one half of the aggregate nominal amount of the Securities represented at the meeting. If no such nomination is made or if at any meeting or adjourned meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting or adjourned meeting the Securityholders present shall choose by a majority vote one of their number to be Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
5. In addition to the matters described in paragraph 19 below, meetings of the Securityholders may resolve *inter alia*: (a) to appoint or revoke the appointment of the Securityholders' Representative (*rappresentante comune*); (b) to modify the Conditions by Extraordinary Resolution (as provided below); (c) to approve motions for *Amministrazione Controllata* and *Concordato* or any analogous proceeding, as set forth in the bankruptcy laws of Italy as amended from time to time; (d) to establish a fund for the expenses necessary for the protection of common interests of the Securityholders and related statements of account; and (e) to pass a resolution concerning any other matter of common interest to the Securityholders.
6. In accordance with Article 2417 of the Italian Civil Code, a Securityholders' Representative (*rappresentante comune*) may be a person who is not a Securityholder and may also be (i) a company duly authorised to carry on investment services (*servizi di investimento*) or (ii) a trust company (*società fiduciaria*). The Securityholders' Representative (*rappresentante comune*) may not be a director, statutory auditor or employee of the Issuer or a person who falls within one of the categories specified by Article 2399 of the Italian Civil Code. If not appointed by the meeting, the Securityholders' Representative may be appointed by a competent court upon the request of one or more relevant Securityholders or the directors of the Issuer. The Securityholders' Representative (*rappresentante comune*) shall remain in office for a period not exceeding three financial years from appointment and may be re-appointed; remuneration shall be determined by the meeting of Securityholders which makes the appointment. The Securityholders' Representative (*rappresentante comune*) shall attend to the implementation of the resolutions of the Securityholders' meetings, protect their common interest in relation to the Issuer, be present at any drawing of lots for Securities and may attend any shareholders' meetings. The Securityholders' Representative (*rappresentante comune*) shall have the powers and duties set out in Article 2418 of the Italian Civil Code.
7. The constitution of meetings and the validity of resolutions thereof shall be governed pursuant to the provision of Italian laws (including, without limitation, Legislative Decree No. 58 of 24 February 1998, as amended) and the Issuer's by-laws in force from time to time. Italian law currently provides that (subject as provided below) at any such meeting, (i) in the case of a Single Call Meeting, one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate at least one-fifth of the nominal amount of the Securities for the time being outstanding or such other majority as may be provided for in the Issuer's by-laws, or (ii) in case of a Multiple Call Meeting (a) in the case of a First Call meeting, one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate not less than one-half of the aggregate nominal amount of the Securities for the time being outstanding or such other majority as may be provided for in the Issuer's by-laws, (b) in the case of a Second Call meeting, one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate more than one-third of the aggregate nominal amount of the Securities for the time being outstanding or such other majority as may be provided for in the Issuer's by-laws, (c) in the case of a Third Call meeting, or any subsequent meeting following a further adjournment, one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate at least one-fifth of the aggregate nominal amount of the

Securities for the time being outstanding or such other majority as may be provided for in the Issuer's by-laws, shall form a quorum for the transaction of business and no business shall be transacted at any meeting unless the requisite quorum is present at the commencement of the relevant business. The majority required at any such meeting under (i) and (ii) above (including any adjourned meetings, if applicable) for passing an Extraordinary Resolution shall (subject as provided below) be (upon a show of hands) at least two-thirds of the aggregate nominal amount of Securities represented at the Meeting and (on a poll) at least two-thirds of the votes entitled to be cast on that poll, **provided that** at any meeting the business of which includes a modification to the Conditions of the Securities as provided under Article 2415, paragraph 1, item 2 of the Italian Civil Code (including, for the avoidance of doubt, (a) any reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable (except to any modification pursuant to Condition 4.4), or modification of the date fixed for redemption or any date for payment of interest or, where applicable, of the method of calculating the date of payment in respect of any principal or interest in respect of the Securities or change the subordination provisions of the Securities and (b) any alteration of the currency in which payments under the Securities and Coupons are to be made or the denomination of the Securities), the majority required to pass the requisite Extraordinary Resolution shall be the higher of (i) one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate not less than one-half of the aggregate nominal amount of the Securities for the time being outstanding and (ii) one or more persons present holding Securities in definitive form or voting certificates or being proxies and holding or representing in the aggregate not less than two thirds of the Securities represented at the meeting pursuant to paragraph 3 of Article 2415 of the Italian Civil Code, **provided further that** the Issuer's by-laws may in each case (to the extent permitted under applicable Italian law) provide for higher majorities.

The expression "**Extraordinary Resolution**" when used in these presents means a resolution passed at a meeting of the Securityholders duly convened in accordance with this Schedule and applicable provisions of Italian law.

8. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall, if convened upon the requisition of Securityholders, be dissolved and adjourned in accordance with provisions of Italian law and the Issuer's by-laws in effect from time to time.
9. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall, both on a show of hands and on a poll, have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Securityholder or as a holder of a voting certificate or as a proxy.
10. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer, the Trustee (in this case subject to any mandatory provision of Italian law) the Securityholders' Representative or any person present holding a Security in definitive form or a voting certificate or being a proxy (whatever the nominal amount of the Securities so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
11. Subject to paragraph 13 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.

12. The Chairman may, with the consent of (and shall if directed by) any such meeting, adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
13. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
14. The following may attend and speak at a Meeting:
 - (a) Voters;
 - (b) the Securityholders' Representative;
 - (c) any director or statutory auditor (*sindaco*) of ENEL;
 - (d) the Trustee; and
 - (e) their respective financial and legal advisers.

The Meeting may approve the attendance of any other person, depending on the items on the agenda and subject to the applicable provisions of Italian law.

15. Subject as provided in paragraph 14 hereof at any meeting:
 - (a) on a show of hands every person who is present in person and produces a Security in definitive form or voting certificate or is a proxy shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of each €1 or such other amount as the Securityholders' Representative may, in its absolute discretion, stipulate in nominal amount of the Securities so produced in definitive form or represented by the voting certificate so produced or in respect of which he is a proxy.

Without prejudice to the obligations of the proxies named in any voting instruction, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

No single proxy may attend or vote on behalf of such number of Securityholders at any Meeting as would exceed the limits specified in Article 2372 of the Italian Civil Code and any other applicable Italian laws or regulations.

16. The proxies named in any voting instruction need not be Securityholders.
17. Subject to compliance with the provisions of Italian law and the Issuer's by-laws in effect from time to time, each voting instruction together (if so requested by the Securityholders' Representative) with proof satisfactory to the Securityholders' Representative of its due execution on behalf of the relevant Paying Agent and each form of proxy shall be deposited by the relevant Paying Agent at such place as the Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the voting instruction propose to vote and in default the voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A copy of each voting instruction shall be deposited with the Securityholders' Representative before the commencement of the meeting or adjourned meeting but neither the Securityholders' Representative nor the Trustee shall be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such voting instruction.

18. Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the Securityholders' instructions pursuant to which it was executed, **provided that** no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent by the Issuer at its registered office (or such other place as may have been required or approved by the Trustee for the purpose) by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.
19. A meeting of the Securityholders shall, in addition to the powers herein given, have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorums and majorities contained in paragraph 5 above) namely:
- (A) Power to sanction any compromise or arrangement proposed to be made between the Issuer and the Securityholders and Couponholders or any of them.
 - (B) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Securityholders, the Couponholders or the Issuer against any other or others of them or against any of their property whether such rights shall arise under these presents or otherwise.
 - (C) Power to assent to any modification of the provisions of these presents which shall be proposed by the Issuer or any Securityholder or the Trustee.
 - (D) Power to give any authority or sanction which under the provisions of these presents is required to be given by Extraordinary Resolution.
 - (E) Power to appoint any persons (whether Securityholders or not) as a committee or committees to represent the interests of the Securityholders and to confer upon such committee or committees any powers or discretions which the Securityholders could themselves exercise by Extraordinary Resolution.
 - (F) Power to sanction any scheme or proposal for the exchange or sale of the Securities for or the conversion of the Securities into or the cancellation of the Securities in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash.
 - (G) Power to approve a proposed new trustee and to remove a trustee.
 - (H) Power to discharge or exonerate the Trustee from any liability in respect of any act or omission for which it may become responsible under this Trust Deed or the Securities.
20. Any resolution passed at a meeting of the Securityholders duly convened and held in accordance with these presents shall be binding upon all the Securityholders whether present or not present at such meeting and whether or not voting and upon all Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. A resolution in writing signed by or on behalf of all the Securityholders, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Securityholders, shall be as valid, effective and binding as an Extraordinary Resolution duly passed at such a meeting. Notice of the result of the voting on, or signing of, any resolution duly considered by the Securityholders shall be published in accordance with Condition 12 (*Notices*) by the Issuer

within 14 days of such result being known, **provided that** the non-publication of such notice shall not invalidate such result.

21. Minutes of all resolutions and proceedings at every meeting of the Securityholders shall be drawn up by a notary public pursuant to paragraph 3 of Article 2415 of the Italian Civil Code. The Chairman of the meeting at which such resolutions were passed or proceedings transacted shall sign the minutes, which shall be conclusive evidence of the matters recorded therein and until the contrary is proved every such meeting in respect of the proceedings of which Minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted. The minutes of any resolution or Extraordinary Resolution shall be recorded in the minute book of Securityholders' meetings (*libro verbali assemblee degli obbligazionisti*) and registered at the competent Companies registry (*Registro delle imprese*) of ENEL.
22. All the provisions set out in this Schedule are subject to compliance with the laws, legislation, rules and regulations of the Republic of Italy and the Issuer's by-laws in force or effect from time to time and shall be deemed to be amended, replaced and/or supplemented to the extent that such laws, legislation, rules and regulations and/or the Issuer's by-laws are amended, replaced and/or supplemented at any time while the Securities remain outstanding.
23. Subject to all other provisions contained in these presents and the applicable laws and regulations the Trustee may:
 - 23.1 without the consent of the Securityholders prescribe such further regulations regarding the holding of meetings of Securityholders and attendance and voting at them as the Trustee may in its sole discretion determine including particularly (but without prejudice to the generality of the foregoing) such regulations and requirements as the Trustee thinks reasonable:
 - (a) so as to satisfy itself that persons who purport to requisition a meeting in accordance with paragraph 2 or who purport to make any requisition to the Trustee in accordance with these presents are entitled to do so; and
 - (b) so as to satisfy itself that persons who purport to attend or vote at any meeting of Securityholders are entitled to do so in accordance with these presents; and
 - 23.2 concur with the Issuer in making Further Regulations if it is of the opinion that to do so is not materially prejudicial to the Securityholders.
